

## **Pitt-Greenville Titan Youth Football 2023 Sponsorship Opportunities**

The mission of Pitt-Greenville Titan Youth Football is to enable children to benefit from participation in a safe, fun and structured environment. Pitt-Greenville Titan Youth Football teaches fundamental skills and knowledge of the game many enjoy.

As a result of placing an emphasis on **accountability, teamwork, spiritual foundation** and **self-leadership**, Pitt-Greenville Titan Youth Football focuses on **resilience** that instills **moral** and **scholastic values** young athletes use throughout their lives. In addition, we partner with Fellowship of Christian Athletes (FCA) for a Summer Football Camp and throughout the regular season.

For the 2022 season, more than 100 players participated (the most in the history of the league). This year, we anticipate exceeding that number due to how the experience changes the lives of youth. Therefore, we need your support.

Donations are essential to youth athletes for continued learning and growth in athletics. Your generous support is greatly appreciated by the Pitt-Greenville Titan Youth Football Association, coaches, parents and volunteers. Your donation assists us with several items such as replacing and buying additional helmets, shoulder pads, uniforms, maintaining practicing facilities, paying insurance, game-day field rental, game officials and additional costs.

There are six different sponsorship levels for your consideration, which includes:

### **Champion Corporate Sponsorship: \$2,500**

- Sponsors one of our three age groups
